

**MAINTENANCE INSTRUCTIONS FOR
OILED RUBBED BRONZE**

.....

Please inspect all parts carefully **after** you purchase and **before** installation. Bates & Bates does not warranty the finish of its products **after** installation.

- 1) Wipe basin **after** installation and **before** first use.
- 2) Do not allow water spots to dry on fixture. Dry them with a clean soft cloth.
- 3) Apply a soft wax such as Flitz Fixture Wax or a product such as Pledge furniture polish. This will add a temporary protective coat.
- 4) Never use cleaners with abrasives, soft scrub, Clorox or Drano type products on this finish.

PRODUCT AWARENESS

Oiled rubbed bronze has a protective coating. If the protective coating is damaged in any way, the base metal will oxidize. The base metal is copper; it is a reddish color. This finish is considered a fragile decorative finish. It is recommended for low traffic areas. This finish is not warranted **AFTER** installation.

To keep your basins beautiful: **KEEP THEM CLEAN AND DRY.**

IMPORTANT

It is the responsibility of the customer to check for defects before installation. Bates & Bates does not guarantee our oil rubbed bronze to match any other manufacturers oil rubbed bronze.
