

**MAINTENANCE INSTRUCTIONS FOR  
ALEGRE ALLOY METAL BASINS**

.....

Please inspect all parts carefully **after** you purchase and **before** installation.  
Bates & Bates does not warranty the finish of its products **after** installation.

- 1) Wipe basin **after** installation and **before** first use.
- 2) Do not allow water spots to dry on fixture. Dry them with a clean soft cloth.
- 3) Apply a soft wax such as Flitz Fixture Wax or a product such as Pledge furniture polish. This will add a temporary protective coat.
- 4) Never use cleaners with abrasives, soft scrub, Clorox or Drano type products on this finish.
- 5) Water spots can be removed with a non-abrasive polish such as Flitz metal polish.
- 6) Always wax the bowl after polishing with metal polish.

**PRODUCT AWARENESS**

Alloy metal has **NO** protective coatings. This finish will change with wear, tear and time. In time the color can darken. Regular polishing and use of a wax will help protect the finish. This finish is not warranted after installation.

To keep your basins beautiful: **KEEP THEM CLEAN AND DRY.**

**IMPORTANT**

**It is the responsibility of the customer to check for defects before installation. Small pits in the metal is not considered a defect. Bates & Bates does not guarantee our alloy metal to match any other manufacturers finishes.**
